Quality is our Identity

Medicap Inc. - The Evolution

Our experience of more than 30 years in the industry backed with a high end technology has resulted in the evolution of Medicap Inc. We started operations in 2014 by setting up a state of the art manufacturing facility laced with the latest technology and have a large volume production capacity which makes us different from other manufacturers. We are situated at Vadodara in the state of Gujarat with major sea-ports within the vicinity of 140 – 400kms.

Clean Room Production

Our Caps are used for injectables and hence utmost care and precaution is taken during the entire manufacturing process. The Caps are automatically injection moulded and assembled in class 10,000 (class 7). Our ultra-modern facility is built on rock solid GMP guidelines. The total quality system covers raw material controls, in-process controls and finished product inspection to ensure synonymous quality at each stage of production.

Euro Head Caps

Euro Head caps are closures for Plastic Infusion bottles made from Blow-Fill-Seal Technology and Stretch Blow Moulding with Wash-Fill-Seal Technology. By investing in a state-of-the-art production unit, We are setting a new benchmark in manufacturing of Euro Head caps in India. The large size, 72 cavity Moulds with Hot Runner Technology, tailor made Injection Moulding Machine and Ultra High Speed fully automated Assembly Machines ensures product quality without human interference.

Moulding & Assembly of the Caps is done Under Clean Room Conditions. Hot Runner Technology and Automated Assembly machine ensures consistent Quality and higher Productivity. Our In-house laboratory facility ensures defect free product including testing of Pull Load of Pull Ring and Auto clavet test.

Product Portfolio

PP & PE Euro Head Cap

Stretch Blow Moulding Technology

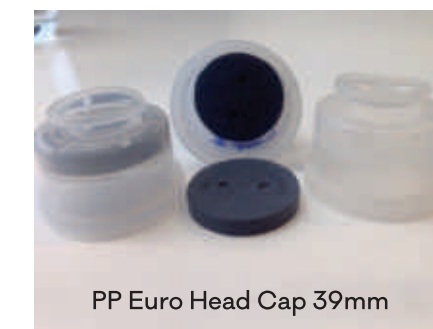

Material : Preferred supplier is Lyondell basell
Rubber Disc : Customer Specific # Poly Isoprene / Bromo Butyl

PP & PE Euro Head Cap

BFS Technology

Material : Preferred supplier is Lyondell basell
Rubber Disc : Customer Specific # Isoprene / Bromo butyl

PP & PE Euro Head Cap

With Aluminum Foil

Material : Preferred supplier is Lyondell basell
Rubber Disc : Customer Specific # Isoprene / Bromo butyl
